

JAMES W. GRAY

Educator • Curriculum Leader • Educational Technology & AI Integration
gr4y74@gmail.com | +1 216 307 6363 | Alexandria, Egypt / Ohio, United States of America

PROFESSIONAL SUMMARY

International educator and academic leader with nearly two decades of experience across Egypt, Kuwait, the UAE, and the United States, specializing in English instruction, curriculum development, and cross-cultural education. Experienced in secondary and tertiary instruction, institutional reform, staff mentorship, and multicultural educational leadership. Actively engaged in the development of AI-assisted educational frameworks focused on responsible student AI literacy, writing support, and ethical classroom integration of emerging technologies. Published author with professional Arabic proficiency and a strong interest in future-focused educational innovation.

CORE COMPETENCIES

- International Education Leadership
- Curriculum Design & Instructional Innovation
- Educational Technology & AI Literacy
- Staff Development & Mentorship
- Cross-Cultural Communication
- Ethical AI Integration in Education
- Academic Writing & Literature Instruction
- Differentiated Instruction & Assessment
- School Administration & Team Leadership
- Classroom & Behavioral Management

PROFESSIONAL EXPERIENCE

Senior Educator | IQRAA International School — Salmiya, Kuwait (September 2024 – Present)

- Lead English department instruction for Grades 10–12, developing advanced curriculum aligned with university entrance and international academic standards.
- Coordinate cross-grade curriculum planning to ensure academic continuity and vertical alignment.
- Mentor junior teachers on instructional strategies, classroom management, and student engagement.
- Integrate modern educational technology and AI-assisted learning approaches to strengthen student writing, critical thinking, and academic integrity.
- Support curriculum modernization initiatives focused on preparing students for an increasingly technology-driven academic environment.

6th Grade Teacher | Islamic Academy of Youngstown — Youngstown, OH, USA (January 2019 – January 2024)

- Delivered an integrated curriculum across six core subjects using differentiated instruction to support diverse learning needs.
- Maintained high levels of student engagement, classroom culture, and academic performance.
- Collaborated with administration on curriculum alignment and assessment initiatives.
- Developed structured writing and critical-thinking activities incorporating emerging digital learning tools.

Lead Teacher / Trainer | Kuwait Ministry of Defense — Ali Al-Sabah Military College, Kuwait (January 2011 – January 2014)

- Designed and delivered a specialized English curriculum for Kuwaiti military cadets preparing for international cooperation.
- Led instructional teams, developed training protocols, and aligned educational objectives with strategic institutional goals.
- Received official recognition from the Secretary of State of Kuwait for educational excellence and program success.

Teacher / Trainer | SABIS Educational Systems, Inc. — Al Ain, UAE (January 2009 – January 2011)

- Coordinated and delivered professional development programs for Abu Dhabi Education Council teachers.
- Designed and led IELTS preparation programs for education professionals.
- Supported implementation of modern instructional methodologies and educational best practices.

School Director | Al Agamey Model School — Alexandria, Egypt (January 2007 – January 2009)

- Directed school administration for a student body of over 3,000 students and 90+ teaching staff.
- Spearheaded institutional reform initiatives, including implementation of new teaching methodologies and data-informed staff management systems.
- Led organizational change management and established improved performance standards for staff and students.

EDUCATION & CREDENTIALS

- Master of Education | DeVry University, Texas (2012)
- Bachelor of Education | Youngstown State University, Ohio (2003)

- CELTA | Amideast — Alexandria, Egypt
- International Teacher Training Certificate (ITTC/TEFL) | Amideast — Alexandria, Egypt

EDUCATIONAL TECHNOLOGY & AI INTEGRATION

- Research and development of AI-assisted educational frameworks for responsible classroom integration of large language models (LLMs)
- Designed AI-supported writing and idea-development systems focused on strengthening critical thinking, revision, and academic integrity
- Advocate for balanced AI literacy approaches emphasizing ethical use and student collaboration with emerging technologies
- Exploring implementation pathways for AI-assisted educational support systems within international school environments
- Familiar with modern AI platforms, prompt engineering, and practical classroom applications of generative AI technologies

LEADERSHIP & RECOGNITION

- Diplomatic Recognition: Honored guest of the Secretary of State to Kuwait for achieving historic educational milestones
- Educational Excellence Recognition: Recognized by the Abu Dhabi Education Council for outstanding contributions to education
